Rencontres internationales du patrimoine
architectural méditerranéen

RIPAM 2017
Genoa –
20-22 September 2017

**Conservation and promotion
of architectural and landscape heritage of
the Mediterranean coastal sites**

CALL FOR PAPERS

The next International Meetings on Mediterranean Architectural Heritage will be held in Genoa from 20 to 22 September 2017.

These meetings are organized by the Department of Sciences for Architecture (DSA) and by the Polytechnic School of Genoa. Scientific communications and poster presentations will be published with peer review and ISBN-code

The following topics will be discussed in RIPAM 2017:

Conservation and promotion of architecture and landscapes of the coastal sites

- Ports infrastructures and architecture
- Industrial and Transport Architecture
- History and evolution of the coastal landscape
- The Waterfront

Knowledge and conservation strategy of Mediterranean architectural heritage

- Studies and analyses of the architectures: characterization, instruments
- Lost heritage: recovery through knowledge, reconstruction,....
- Reconversion of architectural heritage
- Specific features and styles of the Mediterranean architectural heritage.
- Architectural projects: management shared with the population

Proposals for papers or poster (to be specified) should include a one-page abstract (A4) with title, name (of) author (s), affiliation, maximum 5 keywords. The text will be written preferably in English or French, without illustration. The author have to indicate the topic/subtopic that best matches its proposal.

The scientific committee will proceed to the selection in early March in order to elaborate the program in March 2017.

The abstract of papers and posters must be sent to the scientific committee of RIPAM 2017 chaired by Daniela Pittaluga and Fabio Fratini, by 29th January 2017

to the following address: ripam2017genova@arch.unige.it.
